## Enjoy the Free Summer Concerts

The Concert in the Commons Summer Music Series is beginning its eighth season in 2014 with an exciting line-up of musical talent. The first concert will be held on June 18th and feature the group **Divas Through the Decades** with a musical tribute to influential female vocalists from the 1940's through today, including Tina Turner, Celine Dion, Aretha Franklin, Madonna, and Carrie Underwood.

There are four returning groups in 2014 that have proven to be audience favorites, including the **JimTones** on June 25th, **Forty Shades of Green** on July 9th, the **Ice Cream Band** on July 16th, and the **Shoreview Northern Lights Variety Band** on July 23rd.

On July 2nd, the **Tom Hunter Band** will bring their Chicago style blues sound to Shoreview; and on July 30th, the **Jason Weismann Quartet** will perform their sweet jazz sounds in the tradition of Harry Connick Jr. and Frank Sinatra. WCCO radio has coined Jason as "Minnesota's

answer to Michael Buble." The concert series also includes popular local group **The Backyard Band** that plays hits of yesterday and today including Billy Joel, Bruce Springsteen, Journey and the Beatles on August 6th.

The final concert on August 13th will feature **Songblast**, a high energy dueling guitar show that will feature great music and audience participation. This will be a fun event that should not be missed.

Shoreview Mayor Sandy Martin stated, "The Concert in the Commons Music Series is a great opportunity for family and friends to get together. Residents should bring a lawn chair and blanket, their favorite beverage and snack, and enjoy some of the best entertainment in the Twin Cities."

The concerts will begin on Wednesday, June 18th and run every Wednesday night at 7:00 P.M. through August 13th at the Haffeman Pavilion at the Community Center.

## Young Artists Create “One Community of Many Colors”

### *Shoreview Human Rights Commission Hosts Annual Fourth Grade Poster Contest*

The Shoreview Human Rights Commission (HRC) has once again sponsored its annual art poster contest, “One Community of Many Colors,” for fourth grade students in Shoreview. In its 21st year, the contest commemorates Martin Luther King Jr. Day. The Commission received over 350 entries from the following schools: Island Lake, Turtle Lake, Pinewood, St. Odilia and Emmet D. Williams. Students were asked to create posters that include people of different races and cultures interacting positively with each other – for example, cooperating, sharing, playing, helping, working or solving problems together.

The posters were judged by the HRC on their expression of the theme, the clarity of the message, the quality of the art, its attractiveness, usage of the whole sheet of paper and the correct spelling of any text. The City Council recognized winners at their February 18 meeting.

The Shoreview Human Rights Commission includes the following members: Cory Springhorn (co-chair), Bob Minton (co-chair), Julie Williams, Richard Bokovoy, Samuel Abdullai, Mark Hodkinson, Mary Yee Johnson, Elaine Carnahan, Lisa Wedell Ueki, and Neha Sethi.

Honorable Mention winners are: Chinmay Jugade, Nina Roufs, Lauren Dolton, Joseph Swallen, Anish Saraf, Julia Pomerleau, Julia Morikawa, Tristan Ray Chapin, Maggie Walsh and Olivia Rutledge.

## Election Judges Needed

Are you looking for a way to get involved in this year's election? Sign up now to be an election judge. Judges are needed for the August 12 primary and the November 4 general election.

Election judges are an essential part of the political process. They help protect voters' rights by making sure that everything runs smoothly at the polls on Election Day.

Judges are needed at each polling place. Duties include:

- Opening and closing the polling place
- Setting up voting equipment
- Registering voters
- Distributing and collecting ballots
- Recording and certifying vote totals

To be an election judge, you must be:

- At least 18 years of age
- A citizen of the United States
- Able to read, write and speak English

Judges will be scheduled to work the general election. If available, you may also be scheduled to work the primary election. A full day's work starts at 6 A.M. and ends at approximately 9 P.M. For those who cannot commit to a full day, half-day shifts are available from 6 A.M. to 2 P.M. or from 2 P.M. until approximately 9 P.M. Minnesota law allows you to take time off from work without loss of wages to serve as an election judge.

Judges must complete a two-hour training class. Judges are paid for their training as well as hours worked on Election Day.

**If you are interested in becoming an election judge, call Terri Hoffard, Deputy Clerk at 651.490.4614 or email her at [thoffard@shoreviewmn.gov](mailto:thoffard@shoreviewmn.gov).**

## COUNCIL CONNECTION

In an effort to provide up-to-date information, the City publishes the **Council Connection** – a summary of major actions of the Shoreview City Council. The Council Connection, previously included in **Access Shoreview**, can now be found right here in our official publication, **ShoreViews**.

## RECENT COUNCIL ACTIONS

### February 18 Meeting

- Approved the final plat and planned unit development for United Properties for the construction of a 77-unit Applewood Pointe Senior Cooperative at 4785 Hodgson Road (Kozlak's Site)
- Approved the Final Plat and Development Agreement for Pulte Homes for a 25-lot single family subdivision at 5878 Lexington Avenue

### March 3 Meeting

- Presented Proclamations to Matthew Ray and Samuel Mastenbrook for recently achieving the rank of Eagle Scout
- Recognized the five Lego Teams from Chippewa Middle School, including the Ponytail Posse, Height Differential, Imaginative Orange Pi Guys, Masters of Disasters, and Fantastic Five, who recently competed at the state tournament.

### March 17 Meeting

- Conducted a public hearing and authorized the preparation of plans and specifications for the Hanson/Oakridge Neighborhood Street Reconstruction Project. The project includes Hanson Road, portions of Robinhood Place and Nottingham Place, and Oakridge Avenue.
- Authorized the hiring of SEH, a consulting engineering firm, to prepare plans and facilitate the implementation of railroad quiet zones at the Lexington Avenue and Victoria Street rail crossings. It is anticipated that the process could take up to six months to establish this quiet zone.
- Approved amendments to the City's tobacco licensing regulations that broaden the definition of nicotine delivery devices and ensure that e-cigarettes are subject to the same licensing regulations as other tobacco products.

### April 7 Meeting

- Approved a site and building plan for the construction of a City and County Credit Union branch at 1001 Red Fox Road, which is part of the new Red Fox Road retail development.
- Approved a site and building plan and comprehensive sign plan to convert the Hampton Inn located at 1000 Gramsie Road to a Best Western Plus hotel. The Green Mill Restaurant will continue to operate and undergo a renovation as part of this project.

## Shoreview Council Works to Establish Railroad Quiet Zones

It's no secret that the amount of rail traffic moving through Shoreview has increased dramatically over the past year – a result of an improving economy and higher demand for the movement of various products by rail, according to the Canadian Pacific Railway, which owns and operates both the north-south rail line and east-west rail line in the City. This has led to considerably more noise from trains required to sound their horns as they cross at-grade crossings at all hours of the day and evening. Consequently, the City Council and staff have received a significant number of phone calls and email messages from residents expressing concern about the noise, particularly during the overnight hours.

Although nearly all railroad regulations are established by the Federal government, cities can sometimes establish quiet zones at railroad crossings if certain criteria are met. In response, the City hired an engineering firm, SEH, Inc., last year to determine if the City could establish quiet zones at the four at-grade railroad crossings in the City at Lexington Avenue and Victoria Street (east-west line) and at North Owasso Boulevard and Jerrold Avenue (north-south line). This study identified the necessary improvements, costs and the process to establish a quiet zone at these crossings.

After receiving the study results in February, the City Council directed staff to immediately pursue a 24-hour quiet zone for both of the east-west crossings at Lexington Avenue and Victoria Street. These two crossings only need minimal improvements to establish quiet zones. Based on the process for establishing a quiet zone, these two crossings could have them implemented by late summer this year.

The more complex North Owasso Boulevard and Jerrold Avenue rail crossings require significant improvements at each location, at a total estimated cost of \$400,000-\$500,000. These two crossings must be considered together since they are located about one-quarter mile from each other. The City Council is pursuing State funding assistance for these two north-south crossings, due to the extraordinary cost of establishing quiet zones at these locations. Although State funding can take significant time to achieve due to limited availability, Mayor Sandy Martin has spoken with our Federal and State legislators from this area and encouraged them to increase funding for rail crossing improvements.

Another major issue where the City has received complaints is the lengthy blockages of railroad crossings, primarily at the North Owasso Boulevard and Jerrold Avenue. There have been many instances in which these crossings have been blocked by rail traffic for more than 20 minutes and, in some cases, for more than an hour. This has been a significant inconvenience for residents and businesses in southern Shoreview and can also impact response times for our emergency service providers. City officials have been in contact with Canadian Pacific rail officials about these blockages of at grade crossings. CP Rail has indicated that these blockages should not be occurring and are working to resolve the problem. The City has posted signs at the North Owasso Boulevard crossing with phone numbers to call in the event of any crossing blockage exceeding ten minutes.

## Make Garage Sales Successful by Meeting City Regulations

- Residential properties can have 2 garage sales in a year
- Signs that do not obstruct visibility for pedestrians or vehicular traffic
- One promotional sign can be displayed on the property where the sale is being held from 7 A.M. - 8 P.M. on the day(s) of the event
- Signs must comply with the City's sign regulations
  - Size limits
  - Location limits
  - Height location limits
- No more than 2 directional signs permitted off premises

# Thinking About Home Improvements?

## Support Services Available for Residents Suffering Hoarding Disorder

The American Psychiatric Association defines hoarding disorder as “the persistent difficulty discarding or parting with possessions, regardless of the value others may attribute to these possessions. The behavior usually has harmful effects – emotional, physical, social, financial, and even legal – for the person suffering from the disorder and family members. For individuals who hoard, the quantity of their collected items sets them apart from people with normal collecting behaviors. They accumulate a large number of possessions that often fill up or clutter active living areas of the home or workplace to the extent that their intended use is no longer possible.”

Symptoms of the disorder cause clinically significant distress or impairment in social, occupational or other important areas of functioning, including maintaining an environment for self and others. This lifestyle is a public health issue that can pose fire and health hazards, placing both the hoarders and neighbors in danger.

The City has developed a partnership with The Hoarding Project, the Minnesota Hoarding Task Force and Ramsey County to better address code enforcement cases where hoarding is present. Additionally, team members from The Hoarding Project are able to provide residents with

the mental health therapy that is needed to identify the underlying cause of this behavior and establish an appropriate response that provides a long-term solution to this behavior.

While some people who hoard may not be particularly distressed by their behavior, their behavior can be distressing to other people, such as family members or landlords. One of the services *The Hoarding Project* offers is a support group for family members and friends of people who hoard. This group offers the opportunity to talk about your experience, concerns, and hear how others in the same situation are coping with the hoarding behaviors of their loved one.

**For more information on hoarding and what the City of Shoreview and/or Ramsey County can do if you suspect a hoarding situation in your neighborhood, call or e-mail the following:**

**Ramsey County** – Kay Wittgenstein  
651.266.1285 or [kay.wittgenstein@co.ramsey.mn.us](mailto:kay.wittgenstein@co.ramsey.mn.us)

### The Hoarding Project Support Groups

**Family / Friend:** 1st Tuesday of the month 7-9 P.M.  
**Individuals Who Hoard:** 2nd Tuesday of the month 7-9 P.M.

A \$10 donation for attending groups is suggested. Both groups meet at the Kenwood Community Art Center, 2101 Franklin Avenue W, Minneapolis, MN 55405. *Note that a Support Group will begin meeting in New Brighton this May.* Contact [madisyn@thehoardingproject.org](mailto:madisyn@thehoardingproject.org) if you have questions.

### Energy Conservation Deferred Loan

The Energy Conservation Deferred Loan provides up to \$6,500 in forgivable financing for the energy improvements you need today, including new furnaces, boilers, and insulation. Eligible upgrades will be identified in a home energy

audit. Make ZERO payments, pay ZERO interest, and OWE NOTHING when you own your home for ten additional years. To qualify, your house must be built before 1993 and have a value of less than \$251,750. Your household, excluding the value of your home, autos, and retirement fund, must be under \$50,000.

More information, including income limits and other restrictions can be found here: [thenec.org/financing/ramsey-county](http://thenec.org/financing/ramsey-county)

You can also contact LeAnne at the NEC at 651.789.5706 or [leannek@thenec.org](mailto:leannek@thenec.org). Information is also available at [TheNEC.org](http://TheNEC.org).

*This program is brought to you by Ramsey County in partnership with the **Neighborhood Energy Connection**, a 29-year nonprofit organization that provides energy conservation information, services and programs to residents and communities across Minnesota.*

## Maintain Your Property and Keep Shoreview Beautiful This Spring

Our City is known for its strong residential neighborhoods and quality of life, partly because of our community standards for property maintenance. Because of the age of the housing and some residents in the

community, however, this is a rising concern. To preserve the quality in our neighborhoods, the City has adopted property maintenance codes. Common issues include:

**Refuse and Outside Storage:** The buildup, abandonment or storage of trash, rubbish or junk, such as brush piles, yard waste and construction waste is not permitted. All materials and equipment must be stored within a lawfully-constructed building, except for patio furniture and recreational equipment. Firewood is permitted in the side or rear yard area, if no closer than five feet from any property line and kept in a safe and neat stack no higher than six feet.

**Overgrown Conditions:** Grass and weeds cannot exceed nine inches in grass plots, lawn areas and boulevards. Non-wooded vegetation on vacant properties cannot exceed 18 inches in growth height.

**Parking and Storing Vehicles and Equipment:** Outside storage of vehicles, boats, trailers, and recreational vehicles must be as follows:

- Rear yard: at least 10 ft. from rear property line
- Side yard: at least 5 ft. from property line, unless otherwise approved by the City
- Front yard: only on an approved driveway surface, and at least 5 ft. from a side property line.

Only two recreational vehicles and/or trailers may be stored outside on a residential property. Automobiles must be parked in a garage or outside, if currently licensed and parked on an asphalt, concrete or approved surface. All vehicles must be owned or leased by the occupant of the premises where parked and stored. Any improvements or additions of hard-surface areas require a City permit.

If your property does not meet these conditions, the City would appreciate your cooperation. Please call Brent Marshall at 651.490.4687 or email [bmarshall@shoreviewmn.gov](mailto:bmarshall@shoreviewmn.gov) if you have any questions about the property maintenance standards. You can also find more information at [www.shoreviewmn.gov](http://www.shoreviewmn.gov).

## Home Improvements? You Might Need a Permit

Thinking about starting a home improvement project this spring? Remember that a permit may be required. No structure can be erected, constructed, enlarged, altered, repaired, moved, improved, removed, converted or demolished unless a building permit has been obtained from the City. Also, permits are required for the installment or replacement of a furnace, air conditioner, water heater, fireplace, swimming pool, fence/retaining wall, deck, and storage sheds. Any improvements to hard surfaces (driveways, patios, and sport courts) on a property also require a permit.

Permit applications are available on the City website at [www.shoreviewmn.gov](http://www.shoreviewmn.gov) or at City Hall. These applications identify and describe the work to be covered by the permit, the land on which the proposed work is to be done, and the use for which the proposed work is intended. If your application requires a site plan, you may contact the Community Development Department to determine if a site plan or survey is on file for your property.

Your application will be reviewed and a permit will be issued for work that meets Minnesota State Building Code and City requirements. Permit fees are based on the City's adopted fee schedule. Building permits become null and void if the work authorized by the permit does not begin within 180 days of the permit date, or if the work is suspended or abandoned at any time after the work has commenced for a period of 180 days. Exterior improvements to most residential structures must also be completed within 180 days after the permit issue date.

Staff from the Housing Resource Center™ can also provide construction consultations for your project – a free service for residents. Please call the Center at 651.486.4701 or refer to their website at [www.housingresourcecenter.org](http://www.housingresourcecenter.org).

For more information, contact the Community Development Department at 651.490.4680 or visit [www.shoreviewmn.gov](http://www.shoreviewmn.gov).

## Avoid Deadly Oak Wilt: Don't Prune Oak Trees Now!

The most efficient and cost-effective means of oak wilt control is **prevention**. To prevent the introduction of oak wilt, avoid wounding trees during the infection period. **Do not prune oaks during any spring or summer months.** Do not trust tree contractors that tell you it's safe. If at all possible, don't do construction work around oak trees during those months.

If work cannot be avoided, immediately paint each wound created with pruning paint or sealant, including those on exposed roots. Even 5 minutes can mean the difference between prevention and a deadly disease. If you suspect oak wilt this summer, please contact the City for an inspection at 651.490.4665.

Trees infected with oak wilt must be removed when the fungus is dormant, typically starting in November. The late fall and winter months are the safest time to prune oak trees.

**WaterFest 2014** is a free family festival celebrating our clean lakes and offers an opportunity for hands-on learning about the water quality, wildlife, and special ecological features of our beautiful watershed.

**1201 Larpenteur Ave W NE**

The Landscape Revival – Native Plant Expo and Market offers gardeners one convenient location to shop for Minnesota native plants from 12 local native growers and learn how to use the plants from eight conservation organizations. Accessory products such as organic compost, rain barrels and native plant seed will also be for sale. The goal of Landscape Revival is to promote the use of native plants by educating about their benefits for wildlife habitat, pollinators and water quality. The event is sponsored by Saint Paul Audubon Society, Wild Ones and Blue Thumb.

## Put Your Food Scraps to Work

*Make Less Trash, Save More Cash*

Cut back on your trash and save some cash this spring! A recent study shows a third or more of what's in a Minnesotan's trash are things that could be composted. You don't need a backyard compost bin to compost that stuff – or even need a backyard. Ramsey County residents can drop off food scraps, non-recyclable paper and other items considered “organics” – food waste and non-recyclable paper – at Ramsey County's Yard Waste Sites (except for Arden Hills) and they'll make sure the items get turned into dirt.

To get started, pick up a free compostable bag at Shoreview City Hall or the Ramsey County compost site. Simply put your organics in the bag, drop it off for free at the compost site, and pick up another free bag.

You may be pleasantly surprised by all the things considered “organics” – for instance:

- Food scraps: banana peels, apple cores, stale bread, coffee grounds, egg shells, bones – even dairy products and meat
- Pizza boxes
- Non-recyclable paper: napkins, cotton balls, Q-tips, tissues, boxes for frozen foods, coffee filters and egg cartons

Find a complete list and more details on Ramsey County's website, [RamseyAtoZ.com](http://RamseyAtoZ.com), or call the Recycling & Disposal Hotline at 651.633.EASY(3279), answered 24/7. Search “organics recycling” from the website, or contact the Ramsey County Master Gardeners at 651.704.2071 (leave a message and a Master Gardener will return your call.)

Once you start composting, you should see empty space in your garbage cart – which means you can switch to a smaller cart and save some cash!

Remember, this service is only available to Ramsey County residents. No organic waste can be accepted from businesses.

**Applications for the expanded  
Shoreview Green Community  
Awards are being accepted until  
May 31, 2014.**

Visit the City of Shoreview's website for program details and to download an application:

## Ramsey County Yard Waste Sites Begin Regular Season Hours

Spring has sprung! Ramsey County Yard Waste Sites began operating with regular seasonal hours on April 7. Leaves, grass clippings, trees and other types of yard waste are banned from the trash, so bring these items to one of seven Ramsey County yard waste sites for recycling. More information on yard waste sites at [www.co.ramsey.mn.us/ph/rt/collection\\_sites.htm](http://www.co.ramsey.mn.us/ph/rt/collection_sites.htm)

- Must be a Ramsey County resident
- Photo ID is required
- Leaves, grass, garden plants, trees and shrubs are accepted
- Bags of yard waste must be emptied on-site and bags taken home

### Compost locations:

**Arden Hills:** 3530 Hudson Avenue

**White Bear Township:** 5900 Sherwood Road

## City Again Offers Option to Protect Ash Trees from EAB

In response to Shoreview's Emerald Ash Borer infestation, the City will once again offer a program to effectively combat the problem: Residents can choose to have their ash trees injected with a preventative insecticide, at a reduced cost.

Through research, this tree injection method has been shown as the most successful option to protect ash trees, with treatments needed only once every two to three years. The City's approved Emerald Ash Borer Management Plan also prefers this trunk injection treatment method over others because all chemicals stay in the tree, with no potential to pollute groundwater or runoff into our lakes, wetlands, and the storm water system.

Small holes are drilled into the trunk of the tree and the insecticide is injected with a needle, much like an IV to the tree's system. The insecticide then spreads throughout the canopy by the tree and wards off Emerald Ash Borers from feeding in treated trees.

If you are interested in protecting your ash trees using this method, please call Jessica Schaum, Environmental Officer at

651.490.4665 for an inspection and quote on this service. Residents choosing to use the City's tree injection program must sign a contract and waiver allowing City staff to perform treatments within the boulevard or private property.

Please note that ash trees are one of the last species to leaf out, so inspections and treatment will not take place until canopies are full – usually in late May or early June.

## Water Quality Report

As required by the federal Safe Drinking Water Act, the City of Shoreview is issuing the results of monitoring done on its drinking water for the period from Jan. 1 to Dec. 31, 2013. The purpose of this report is to advance consumers' understanding of drinking water and heighten awareness of the need to protect precious water resources.

**We are proud to report that no contaminants were detected at levels that violated state and federal drinking water standards.**

Visit [www.shoreviewmn.gov/departments/public-works/utilities/utility-billing/water-services](http://www.shoreviewmn.gov/departments/public-works/utilities/utility-billing/water-services) online to view the City's annual water report, which includes information on the monitoring done on Shoreview drinking water in 2012. Please review the report, and if you have questions, contact Charlie Grill, Public Works Administrative Services Coordinator, at 651.490.4657 or send an email to [cgrill@shoreviewmn.gov](mailto:cgrill@shoreviewmn.gov).

## Lawn Watering Reminders

Please conserve water when sprinkling your lawn this summer. Water use restrictions will once again be in effect from May 15 to September 15. Residents with even-numbered houses (last digit of house address) can water lawns on even-numbered calendar days, and odd-numbered houses on odd-number calendar days. Exceptions to these limitations include: private wells, car washing, filling a children's pool, children playing in a hose-operated sprinkler or water toy, and hand-held watering of plants and shrubs. Residents with newly-sodded or seeded yards may obtain a two-week exemption by calling the Public Works Department at 651.490.4650.

### Penalties for watering violations:

- 1st Penalty .....Warning
- 2nd Penalty .....\$25
- 3rd Penalty .....\$50
- 4th Penalty .....Referred to the  
City Attorney for  
prosecution

## 2014 Shoreview Heritage Family of the Year:

*Cyrille (Cyril) and Marie Agnes (Agnes) Demars*

The Shoreview Historical Society (SHS) is pleased to announce the 2014 Heritage Family of the Year: The Cyrille (Cyril) and Marie Agnes (Agnes) Demars family. The family

was honored at a reception on April 27 at the Shoreview Community Center.

Cyrille Demars was a carpenter and a farmer who moved into the family's original home – which still stands on Hodgson Road, south of County Road J – before 1920. He and Agnes raised seven children, and their descendants still live in the north metro area, including Shoreview.

The SHS accepts nominations year-round for Shoreview Heritage Family of the Year. At minimum, the following criteria are considered in the selection process:

The honoree or honorees will have:

1. Lived a significant part of their lives in Shoreview
2. Contributed to the vitality of the community – for example, through civic contributions, public office, church, educations, health, environment and other organizations
3. Owned property in Shoreview

Added considerations:

1. The family's ancestors go back two or more generations in the community
2. Through their work or direction, improvements in Shoreview's quality of life were made
3. Ownership of property may have involved key terrain, structures
4. Other members of family, including ancestors, have served admirably in community

**Correction:** In the "Skiing in Shoreview" article in the March/April 2014 ShoreViews, Arctic Park Ski Hill was owned by John Rysgaard (not John Risdall).

## Be a Slice Volunteer this Summer!

The Slice of Shoreview Days is an annual event completely run by volunteers, so there are numerous opportunities to get involved. Work as much as you want or just a few hours. We'd love to have you! Come join in the fun!

### Staffing the Info Booth

We need 2 people at a time answering questions and giving directions, or just smiling and saying "hi" to attendees! Volunteer with a friend or meet a new one! Your help is needed for 1- or 2-hour time slots.

### Parade Staging Help

Be part of the pre-parade excitement! We need 8-12 adults to help in the lineup area on Saturday morning (July 26), from 8:00 A.M. to 10:30 A.M. to help groups find their staging spot for the parade, answer their questions, and get them ready to move when it's their turn.

### Setup

Be the first to see what's happening at the Slice! We need help with setting up the festival during the day on Friday (July 25). This involves setting up tents, helping vendors unload their cars, and other miscellaneous set up duties.

### Cleanup

We would appreciate lots of volunteers to help with cleaning up when the Slice ends on Sunday (July 27), late afternoon.

**Event dates:** Friday thru Sunday,  
July 25, 26 & 27, 2014

**Hours:** Friday: 4 P.M. - 9 P.M.  
Saturday: 8 A.M. - 9 P.M.  
Sunday: 8 A.M. - 5 P.M.

**Contact** Jilene Packer

## Gallery 96: Visual Art of the Community

### Spring Show

Gallery 96 will hold its spring exhibition in May at the Shoreview branch of the Ramsey County Library, 4570 N. Victoria Street. The theme of the show, "Places and Spaces: Travels Near and Far," will include works of art inspired by travels to exotic places, as well as those picturing locally enjoyed places. An opening reception will be held Friday, May 9 from 6 to 8 P.M. It is free and open to the public. Refreshments will be served and cash prizes will be awarded to the artists.

News on future events and shows can be found on the Gallery 96 website at [www.gallery96.org](http://www.gallery96.org) or on the Gallery 96 Facebook page.

### Art Discussion

Gallery 96's monthly Art Discussion meets on the second Tuesday of each month from 7 to 9 P.M. at the Shoreview Community Center. Check the TV monitor in the lobby for the room number. All artists are still encouraged to bring a work(s) of art in any medium for discussion. Works in progress are welcome, or come and join in the discussion and see the exhibition. The event is free, and you do not need to be a Gallery 96 member to attend. Upcoming meetings will be May 13, June 10 and July 8.

### New Members

Gallery 96 is looking for new members. Annual membership fees are modest, and whether you are an artist in any type of medium looking for places to show your art, or a supporter of the arts in the community, Gallery 96 invites your support. You do not need to be a Shoreview resident.

Membership levels:

- **\$25 Level** includes eligibility for submitting artwork to juried exhibitions, Gallery 96 Views, and invitations to openings, gallery talks and art discussions.
- **\$40 Level** includes the above benefits for the entire family (must be 18+ to submit art.)
- **\$100 Founding Member** includes the above benefits and indicates strong support for the visual arts.

Please mail your check (payable to Gallery 96 Art Center), along with your name, address and email address, to: Gallery 96 Art Center, P.O. Box 270002, Vadnais Heights, MN 55127.

### The Shoreview Community Garden Club

welcomes all gardeners – beginners or experienced. Speakers talk on a wide range of gardening topics. Summer tours are held to gain information and ideas. The Club meets at the Shoreview Community Center on the first Wednesday of each month at 7 P.M. To learn more, call Sandi at 651.484.4341 or e-mail [sandilauer@comcast.net](mailto:sandilauer@comcast.net).

### CTV North Suburbs

CTV North Suburbs provides community television for the residents of ten cities, including Shoreview. CTV features programming by the community for the community – programs created by volunteers like you, your friends and neighbors. It's easy and fun! CTV provides training in video production, free use of equipment, and cable time on channels 14 and 15. To learn more, attend our free 1.5-hour orientation class, CTV 101. The class schedule is available at [www.CTVNorthSuburbs.org](http://www.CTVNorthSuburbs.org). For more information, call 651.792.7515.

Shoreview Community Center Pool

You must pre-register in order to complete the swim test. If you need to complete your Boy Scout swim check before you leave for summer camp, register for a time and date above. You will need to bring the Boy Scouts of America Swim Test Certification form for the certified lifeguard to sign off on after the swimmer completes the test. Our certified lifeguard will determine if you are a learner, beginner, or swimmer and complete the certification card for you after the swimming test. The swimmer will be asked to demonstrate the following:

- Jump feet first into water over their head and begin swimming
- Swim 75 yards in a strong manner using: sidestroke, breaststroke, trudgen or crawl
- Swim 25 yards using an easy, resting backstroke
- Float for 1 minute

If you would like to swim after your swim test is completed, you will need to purchase a wristband at the front desk. Open swim will begin at noon.

Personal Training can benefit anyone regardless of physical condition or age. A trainer can plan a safe, effective program and provide the one-on-one instruction to ensure that you are using proper form and technique, exercising at the appropriate intensity, and maximizing the effectiveness of your workout to achieve your health and fitness goals. Personal Trainers serve as a coach, educator, and a major source of motivation and encouragement to help you overcome obstacles and stick to your program.

## Personal Trainers will:

- Identify realistic goals and determine safe strategies to achieve those goals
- Customize a program to fit your ability and health status
- Monitor progress & adapt your routine for consistent improvement
- Educate you on fitness principles and correct form to aid in progress and prevent injuries
- Achieve maximum results in minimum time
- Provide the encouragement and accountability you need.

## Goals Achieved Through Personal Training:

- Reach and maintain a healthy weight
- Reduce body fat and build muscle
- Shape and tone your body
- Improve strength and cardiovascular fitness
- Recover from an injury
- Train for sports, triathlons, running events, and fitness challenges

## How many sessions do I need?

Some people may want personalized training 2 to 3 times a week, which makes them more likely to stick to their program because they are accountable to someone else for their exercise time. Others prefer to see a trainer periodically to update their exercise program or for fitness testing to receive feedback on their progress. Personal Training comes in packages of 1, 3, 6 and 12 sessions.

Sessions	Regular	Resident
Fitness Assessment	\$ 30	\$ 25
Single Session	\$ 63	\$ 58
Three Sessions	\$ 180	\$ 165
Six Sessions	\$ 339	\$ 314
Twelve Sessions	\$ 640	\$ 590

## What is a Fitness Assessment?

Assessments are used to determine your current level of fitness. Measurements and tests taken during assessments will be specific to the goals of the individual and may include body measurements, body fat calculations, resting heart rate and/or blood pressure, flexibility testing, muscular strength and/or endurance testing, posture assessment, cardiovascular testing, and sports-specific tests. You can register for a fitness assessment without signing up for personal training, however, assessments are included in personal training packages of 3, 6, and 12 sessions.

## Meet the Trainers

We have 8 certified personal trainers on staff. Trainer biographies are posted outside of the Fitness Center across from Studio 2 and at [www.shoreviewcommunitycenter.com](http://www.shoreviewcommunitycenter.com). Call 651.490.4768 for more information and to speak with the Fitness Supervisor to discuss which trainer can best help you achieve your goals.

\$50 ..... **Activity #390906-01**

This baseball camp is all about just having fun playing the game of baseball! When the players first arrive they will go through a short series of very basic drills to begin teaching them basic skills of baseball. After, the kids will be broken up into teams to play supervised whiffle ball games with the other kids. This is geared toward younger kids in grades K-4 who just want to have fun playing baseball with their friends! Prizes will be given during the week for good attitude, hustle, and sportsmanship. No glove or bats are needed, but players are welcome to bring their own. The Little Tykes Baseball camp is run by Jon Nuss, MSHSBCA's 2013 Class 3AAA coach of the year, and head coach of the 2013 Class 3AAA State Championship winning Mounds View Mustangs. Jon is also currently a teacher at Mounds View High School and a resident of the district.
